In order for Chroma Cars to successfully obtain your inventory, we must have access to the RPG (Report Generator) and ENG (Accounting Logon) area of your ADP system. Only vehicles with a 17 character Vin and no sold date will be polled.

The following fields will be polled within your ADP system:

STOCK-NO., YEAR, MAKE, MODEL, PRICE1, COLOR, MILEAGE, SERIAL ID

Your inventory will be polled weekly and should be on site within 48 hours. Newly polled information will replace previously polled information. The dealer is responsible for all vehicles modified via the AdManager tool.
