### About Butler

We are a family owned company doing business with integrity since 1966. We're Indiana's #1 dealer with over 500 new & used Toyotas in stock! It is a priority for us to give every customer the Highest Value for their trade-in. They can also take comfort in knowing that they will receive our "Preferred Customer Pack" at NO extra charge. It includes Service, Parts & Body shop coupons valued at over \$1000.

### Service Center

Our customers love our Service Department! Our brand new 43 bay facility and the State's largest Toyota/Scion parts department affords us the opportunity to deliver a high quality experience to our customers. We also have 4 waiting areas for your comfort while you wait (main, children's, computer with internet and a quiet room for reading or office work).

### Collision Center

We also provide Central Indiana's only "Toyota Certified" body shop. It also is one of the largest in the state but is soon to be expanded. We are now offering Mobile Estimating Service providing courtesy estimates at your home or office.
