## Made in the USA

It's important to us  
and it's important to the U.S.

Lucky Line is the leading manufacturer of key accessories in the country. Almost all of our products are designed and manufactured right here in the United States. By keeping our production local, we know that our quality is better, our delivery times are faster and our service levels are better than our off-shore sourcing competition. As you look through our catalog, notice all the "Made in USA" logos beside our products - it matters.

## The Lucky Line Story

Ray Howard established Lucky Line Products, Inc. in 1955 with one key chain and a vision. What most people do not know is, Ray created the "key accessory" industry. His hard work, dedication and years of experience grew the business from one key chain to over 150 sku's. Lucky Line Products, Inc. offers key elements that make it a success: quality products, innovation, patented products, exceptional packaging and service that exceeds the expectations of our customers.
